Clickable Mummy

Go to <http://www.akhnet.co.uk/clikmumm.htm> and follow this worksheet step by step. All answers should be based on what you are reading **from the site**.

Part A: *Read the screen. Click on any highlighted words as you are reading to learn even more. After you have finished reading, answer these two questions.*

1) What is a mummy? (Answer in a complete sentence.)

2) What is an amulet? (Answer in a complete sentence.)

Part B: *For this section, you will use the mummy on the left side of the screen. Click on the different body parts of the mummy as indicated and also click on the highlighted words. Answers do not need to be in complete sentences for Part B*

1) Click on the mummy's head and begin reading this section.

a) Name the 4 internal organs: _____

b) Where did the Egyptians believe the soul lived? _____

c) Which organ was usually discarded? _____

d) What is the Ba? _____

e) How is the Ba usually represented? _____

You may go back and click on the Faces of the Dead section, but you should only look at the pictures. Don't explore the other areas at this time as you need to finish this assignment.

2. Click on the mummy's chest and begin reading this section. Answer each one in a complete sentence(s) repeating part of the question in your answer.

a) What is the purpose of canopic jars and how many of them were there?

b) Who were the Four Sons of Horus? (Give their names and what they guarded in your answer.)

c) Who was Tutankhamun?

3. Click on the legs and begin reading this section. Answer each one in a complete sentence(s) repeating part of the question in your answer.

a) What is natron?

b) Who was Flinders Petrie?

4. Click on the feet and begin reading this section. Answer each one in a complete sentence(s) repeating part of the question in your answer.

a) Who is Howard Carter?

b) Click on NMS Mummy Project in the reading. After you get to that screen, go to facial reconstruction of the Portrait Mummy and click on it. Read about it. Then click on “See the amazing reconstruction.”

What is a CAT scan?

Part C: When you have finished Parts A and B, go to this site and enjoy playing the game:
